Welcome to the tenth issue of our newsletter.

We hope to keep you informed of things happening at Accounting Concepts, key tax dates, business news and more.

We hope you have all been keeping warm and well this winter, we certainly have had some chilly days in the last week. We are over half way through the year and for most of us, 25% of the way through the financial year ending 31 March 2022. Have you set business goals for this financial year and are you on track to achieving them?

There is no price change for Xero Ledger plans.
